# Communicate Visually With Clindex Dashboards

Customizable

- Clindex provides standard dashboards that are simple to use
- Customize or create your own dashboards, tailoring them to the specific needs of your team and your trial
- Assign dashboards to specific roles, giving you control over who sees what information

Powerful

- Drill down into dashboards to access detailed information with a single click
- Dashboards can display EDC and CTMS data, putting all of your study information at your fingertips
- Clindex dashboards can be copied from study to study, reducing start-up time and saving money
